Hi Shapeways fans,

Carry-a-Cube is a bandaged 4x4x4 cube. Whereas conventional bandaging connects adjacent pieces, this puzzle has pieces at different sides of a square connected by big pipes.

Watch the YouTube video.

Buy the puzzle at my Shapeways Shop.

Read more at the Twisty Puzzles Forum.

Check out the photos below.

Enjoy!

Different... I saw an article about you in issue 27 of 3D Artist magazine today... Nice mention of Shapeways, too.
