Hi Shapeways fans,

Oh Cube is a twisty puzzle, similar to Rubik's Cube. However, it turns in some strange way, turning around corners and pieces sliding under and over each other.

The name "Oh Cube" refers to the intended response from your friends when they fail to turn this "Rubik's Cube" and then you show them how: "Oh, does it turn that way!"

Watch the YouTube video.

Buy the puzzle at my Shapeways Shop.

Enjoy!
