feels great to upload something finally and to start writing in the forum.
Just wanna say shapeways and it's forum is great!
Good Luck for everyone!

I uploaded two models of pendant.
actually I'm going to design and upload few more and then probably gonna choose one of them to print.

Welcome shellman!

I'm digging those pendant concepts. Nice work on the renders, too.

thanks Ana!

actually I'm planing to design a series of Square pendant.

so keep tracking my stuff please and I always appreciate receiving comments and criticizing.
