The Bubble Men (and more) are on show now. Too lazy to copy everything over.

BTW: We've just built that site with/on Jimdo and I am fairly impressed with their page and product editor and everything. These people know what they are doing and how to build a working system.

Ooh, and in case anybody has second thoughts, here is the invoice:

@trompevenlo i didnt get that.  
if you're selling these models why are they for download to anyone?
