might be nice to feature a selection of ornaments. here's 3 of my favorites and my own

Gibell's Koch Fractal ornament

Cunicode's christmas ball

Michiel Cornelissen's Merry Bird

my own Building Block

Nice, thanks Jeff.

I'd actually been thinking the same thing about an ornament feature.

Does anyone have any other designs they'd like to have considered?

Sure!

What about:

- the IcosidodecaLink
- the Octawire

[EDIT] what about using a special tag for those models? "Christmas ornament" for instance?

Hi guys!

I also have some ornaments for Christmas which could be featured
