I downloaded Shape me but I have been unable to get a proper alignment, I even move the photos so that they were at the same eye level.

Here is computer shot.

It's a busy time at Shapeways. I've forwarded your question on a little more. See if we can get a resolution.

hey there! Looks like you're doing everything correctly, I contacted the community member who developed ShapeMe and let him know there's a thread going on here. Hopefully you'll hear from him soon!

Thanks,  
Nancy
