You didn't watch Material Monday today? I'm sure the video will be up to catch up on the latest material news.

I totally forgot it. Was it listed on the main page (or elsewhere)? I checked the Shapeways Live page and the Meetup page Sunday and didn't see any mention of it.

It might be a good thing to list all live events taking place like this on the Shapeways Live page so we can see at a glance everything that's coming up and when it takes place. Right now the Live page says 'We're on the air' at 12:18AM EST GO TO BED!!!
