Here's a look at a Rose Bracelet that just arrived in the mail. Happy to say the print came out perfectly. Pleased as always with Shapeways quality and service!!!

Available for \$34.95 only at Shapeways in Black, White, Indigo or Red colors. Size shown is medium, also available in small and large sizes.

That turned out quite nicely. I like things that have a layered appearance; this qualifies.

How well does the bracelet stay on your wrist? The gap in the c shape seems fairly wide. (I hope you'll pardon me if this is a silly question - I have never worn such bracelets)
