Hi,

I'll be in Berlin around June 20 and it would be great to have a user meetup while I'm there. Is there anyone here from the Berlin area who is interested in helping me prepare it? Work involved would be scouting for a nice location, being a host during the event and maybe reach out to some local maker/designer communities. Of course, I'll offer you all the help I can.

Any help would be much appreciated!

Cheers,

Bart
