Hi there!

Welcome to Shapeways! It is so much fun!

Please refer to our material page where you can learn more about the characteristics of the material, the design rules, printing techniques etc.

<http://www.shapeways.com/materials>

If you have any questions, remarks or comments. You can always e-mail us at [service@shapeways.com](mailto:service@shapeways.com)

Enjoy surfing around on the website!
