About me

Hi, I'm a Dutch 24 years old Industrial Design Engineer student who is about to graduate. I enjoy creating 3D models and I would like to share my skills with you for a small fee.

Expertise

Although I've worked with 3D modeling software such as Rhinoceros and 3D studio MAX, most of my expertise is with SolidWorks.

Experience

I have 5.5 years experience in 3D modeling through my education and various projects. Several examples can be found on my portfolio website.

Portfolio

Feel free to take a look at my portfolio www.erwintenvelde.nl.

Rate

Please contact me by a private message or the information on my portfolio website. Rates can be per hour or project.
