Hi, I need a spaceship model made in C4D ready for 3D printing.

I can deliver FBX or native C4D model if preferred. PM me your rates.

I don't know Cinema4D, however, this forum post might save you some money -  
<http://forums.cgsociety.org/archive/index.php/t-758532.html>

If you can export as stl and still need some help getting the file print ready get in touch.

Paul
